

2024-25 NKHS BAND ACTIVITY FEE FORM

North Kitsap High School Band Activity Fee for the 2024-2025 year is \$125.

The North Kitsap School District supports the band program for activities occurring during the school day. However, it is insufficient to cover full program costs. The NKHS Band Boosters pay for all other costs associated with NKHS Band activities outside of the classroom and many other expenses.

The activity fee is required to help cover costs for items such as equipment, sheet music, updated music technology, competition participation fees, uniform maintenance, parades, transportation to events, specialty staff and clinicians, meals and snacks, scholarships, and other costs. The activity fee does not cover the full costs of the NKHS Band financial needs and appreciate your support of NKHS Band students with participation in fundraisers throughout the school year.

Please bring this form to the first day of band camp. The Activity Fee can be made by check payable to NKHS Band Boosters or via this link: <https://booster-club-73778.cheddarup.com> or use QR code:

Scholarships are available. Please contact nkhsbandboosters@gmail.com to request an activity fee scholarship.

Thank you for supporting your student and North Kitsap High School Band.
